27 Theorists and Theories About Nursing and Health

There are different nursing theories and health theories to help us explain the phenomena we are experiencing in health. Since nursing knowledge is the inclusive total of the philosophies, theories, research, and practice wisdom of the discipline, these theories define what nursing is or what sets it apart from different professions.

Biographies of Nursing Theorists and their Work Nursing

Nursing theorists are the men and women in the nursing field who develop models of nursing. Often, they don't set out to develop a nursing theory. Instead, they simply want to help improve nursing care for their patients, and the theory develops as a result. Once a method is established as a theory or model of nursing, it is integrated into the practice of nursing, as well as added to the
