So much can change in ten years. He was prepared for it. All during the flight from London and the long, winding drive north from Boston to Quiet Valley, New Hampshire, population 326 or it had been ten years before when Jason Law had last been there he d thought of how different things would be. A decade, even for a forgotten little town in New England, was bound to bring changes. There

Reported Speech Perfect English Grammar

How can we make the reported speech here? In fact, it's not so different from reported statements. The tense changes are the same, and we keep the question word. The very important thing though is that, once we tell the question to someone else, it isn't a question any more. So we need to change the grammar to a normal positive sentence.: Reported speech: She asked me where I lived. Do you see

Science Mathematics Yahoo Answers

Mass, is a measure of how much matter is in an object, and this will never change. Weight, is a measure of downwards gravitational force, which can change. If I am standing on the moon, I will have the same physical composition as when I'm standing on Earth, but I will weigh less because the moon has less mass than the earth so it is exerting a weaker gravitational force on me.
